Subject: Request for Info - File # 0296-EX-CN-2017

Message:

Dear Mr. Serafini,

I am following up on my correspondence sent on May 1st, 2017 with regards to my application filed under dismissed application 0296-EX-CN-2017. As I previously stated this is for a second antenna installation that is the same with regards antenna emissions but has different supporting equipment.

Please advise if a second application is necessary for this second antenna or can I cover both antennas under our single approved license through application 0190-EX-CN-2017 with Call Sign W12XUK.

Thank you.

Best regards,

Andrew Burne
