Subject: Request for Info - File # 1861-EX-ST-2018

Message:

There are a couple issues regard to your application

- The request for expedited the experimental application is authorized when it is used for rescue, life threatening emergency or public homeland security safety; otherwise, it cannot be approved. Your company must submit the application 30 days before starting date. If you want to change starting date, please change it as soon as possible.
- The emission designators that you submitted are incorrect. One is missing the bandwidth and the another one has bandwidth exceed the applied band. Please make a correction.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 01, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
