Subject: Request for Info - File # 0582-EX-CN-2020

Message:

We are unable to process the application because it is incomplete information that is requested for the experimental license. Please provide all the information below before August 9th, 2020.

- Description of operation.
- Verify the location and correct them on the application. If it is used for testing at both locations, please separate them and enter latitude/longitude for each location on the application.
- FAA pre-coordination must be submitted with the application. It is required. The company should contact FAA for coordination information.
- Verify the emission designator. Explain "X" letter on the emission designator.
- Verify the radius of operation. If it is a flight test, please provide minimum/maximum flight level.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 15, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
