Subject: OET Experimental License Dismissal Notification, Call Sign: File Number: 0279-EX-CN-2021

---

Message:

I don't understand why the application was dismissed.

You asked about the Emission Designators and I updated my application to reflect your inquiry.

And then you dismissed the application as if I didn't respond to your inquiry.

Please reconsider the application. The database shows 2 versions, and the 2nd version has the updated Emission Designators in response to your inquiry.
