Response to questions asked in correspondence.

I have responded to the questions asked in Correspondence 9497 by submitting Form 442 on 10 November 2009. The ELS system would not allow me to modify the existing license KO2XAB; therefore, Form 442 was submitted as a New Application using the information from File Number 0251-EX-RR-2009. The Form 442 File Number is 0422-EX-PL-2009 and the Confirmation Number is EL568854.
