Subject: Request for Info - File #0220-EX-PL-2007

---

Message:

1. There are no emission and bandwidth data present in the application. You can use Parts 2.201 and 2.202 of the FCC's rules for guidance.
2. You are required to submit a narrative statement describing in detail the following:
  - (a) A description of the nature of the research project being conducted;
  - (b) A showing that communications facilities are necessary for the research project involved;
  - (c) A showing that existing communications facilities are inadequate or unavailable.
3. The location of operation is listed in the application as "Scottsdale, AZ." This is too broad. Express your location with center of operations coordinates with a radius of operation or in some other specific form.

Return to our filing site at <https://fjallfoss.fcc.gov/oetcf/els/index.cfm> and use the "Amend/Complete Application" filing option to correct these problems.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 07, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
