Subject: Request for Info - File #0043-EX-PL-2006

Message:

Since Coast Guard has tabled your application requesting that you exclude a frequency band that you cannot exclude, there is nothing more the Experimental Licensing Branch can do at this time. I suggest that you contact Mr. Bruce Lamb of the Coast Guard at (202) 475-3554 and try to work something out with him directly. Keep me informed on these negotiations.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 29, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
