Subject: Request for Info - File # 0272-EX-CR-2020

---

Message:

We are unsure as to whether you are asking us to submit an entirely new application for modification of the license, or whether we should upload the POC update information which is already attached to the renewal application. Our understanding was that only a change of technical parameters required a modification, and that POC updates did not require a modification.

Please clarify what we are supposed to do and we will comply soonest possible.

V/R,

Dan Hankins
