Hi Tim,

I haven't put in an FCC application yet as I typically do that after I have the NGT coordination number to attach to the application. I'll get the application submitted this afternoon and send the file number to you as soon as I submit the application.

Thanks,

Dan Hankins

Good Morning Dan,

I am working on your request, TRK 182207, and was just curious if you have an FCC application # yet? I like to add them to the FAA coordination record as it makes the final approval with the FCC easier.

Please let me know if you have any questions. Thank you.
