Carl,  
I don't understand. I thought you needed to talk to him why Textron Systems needed this 2382.5 MHz frequency.

Hello Carl,

I finally found the individual who provide any information of our last conversation.

William Morgan, AFRL Spectrum Manager  
Wright-Patterson AFB  
Phone: (937)656-0782 or DSN 986-0782  
Email: William.Morgan2@wpafb.af.mil
