Subject: Additional Information Request

Message:

1) The El Segundo, CA and Chantilly, VA location were already granted under FLN 0045-EX-ST2021. That license under FLN 0045-EX-ST-2021 is still active. Why have you included those locations in this STA? Why are you double filing?

2) Do you have plan to test no more than 6 months? Will you require to file for an extension after this STA? If the answer is yes then you should file for a conventional two year license request and withdraw the STA request.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 18, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
