Subject: Frequency Coordination Request Submitted
Date: Thursday, January 16, 2020 11:04:25 AM

Dear Proponent

Your Frequency Coordination Request has been successfully submitted to the FAA Spectrum for review.

Tracking Number: TRK 200075

Your request will be reviewed at FAA Spectrum with consultation by the assigned Frequency Band Subject Matter Expert (SME). The goal is to address all coordination requests within 30 days or less, however, the FAA cannot guarantee the availability of spectrum in some geographical areas for experimental testing.

The WebFCR Team.
