Subject: Request for Info - File # 0240-EX-CN-2019

---

Message:

Manufacture clarified that the system we are receiving will use the 150MQ0N emission designator and future system upgrades may use the 300MQXN emission designator.

Updated this application to reflect the 150MQ0N emission designator and will modify future licenses as appropriate if and when upgraded.

Thanks

Joe Thorsheim
