DISMISSED-WITHOUT PREJUDICE

Dear Global Spectrum Management,

This refers to application, File No. 0573-EX-ST-2020, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. International Bureau objected to authorize the operation as the experimental license. Boeing must file a 180-day STA with IB/SAB for both uplink (29.625 GHz) and downlink (19.825 GHz) operation. IB/SAB's STA rules allow an entity to file for a 180-day STA subject to a 30-day public notice review period.

Responses to this correspondence must contain the Reference number : 54441

Sincerely,

Anthony Serafini
Chief
Experimental Licensing Branch
