SUBJECT: Special Temporary Application (STA) Expedite Request

1. AFLCMC/WLV (CDAD/E4-B) respectfully request the FCC expedite the processing of STA applications submitted by the Boeing Company. The STA applications are needed to support high visibility testing and demonstrations at the request of the AFLCMC System Program Office in support of emergent E4-B SATCOM requirements.
2. AFLCMC/WLV fully endorses The Boeing Company's testing and demonstration of commercial & military satellite capabilities and requests that the government regulatory agencies take the necessary steps to approve radio frequency authorizations on short notice.
3. Points of contact for this request are Mr. Willie Hughes III, AFLCMC/WLV, Office:(405) 736-2116 or John E. Garcia, The Boeing Company, john.e.garcia-jr@boeing.com, (703) 465-3681.
