There is no way we can associate any fee with this application. You will have to refile.

Hi,

I'm trying follow up on this issue. I haven't received a response to this email or to the voicemail I left.

Hi,

Yesterday, I submitted a STA (File # 1749-EX-ST-2019), and it looks like it was filed successfully. However, when going to pay for the STA we encountered an issue. It says there is a fee of \$0.00 (see below). I tried calling billing, but they said there was on the application side, I was then transferred to another department who then transferred me to a voicemail. The billing department did tell me to ask to check if there was an issue between Bill Filer and the application. I just want to make sure that this STA isn't delayed due to payment issues.
