Subject: Request for Info - File # 1860-EX-ST-2019

---

Message:

The lat/long is correct. This was coordinated with FAA spectrum several months ago and Orlando was used during the coordination as the greater Orlando area. It has since come to our attention that the city is actually Kissimmee. The lat/long listed on the application falls within the FAA spectrum coordinated area and FAA spectrum is aware of this difference.

Please let us know if you have any questions.

Thanks

Joe Thorsheim
