

STOP BUZZER CONTACT

The KeyW Corporation hereby submits this supplemental post grant document to reiterate,¹ as previously identified in Attachment A, that the applicable “Stop Buzzer Contact” associated with the proposed testing is:

George Dalton (937-572-1384)

¹ Special Condition 4 on the issued FCC Special Temporary Authorization incorrectly noted that the Stop Buzzer point of contact was: Jerry Davieau at (443) 562-0756.
