Dear Dr. Fowler:

This letter is to notify you that final action for the Armadillo license application will not occur within the 120 days of receipt. This notification is made pursuant to the requirements under the National and Commercial Space Policy Act of 2010.

National Security agencies have not made a determination on the proposed system. NOAA hopes to have these determinations soon and we will complete the license process once they are received. If you have any questions concerning the status of your application, please contact me at 301-713-3385.

Sincerely,

A handwritten signature in black ink, appearing to read "Tahara D. Dawkins". The signature is written in a cursive style with a horizontal line above the first few letters.
