Subject: 0300-EX-CN-2018 pre-coordination data request

---

Message:

This is a response to the pre-coordination data requests regarding this application:

MAG Coordination Request:

Agency: U.S. Special Operations Command

Contract No. H92222-17-D-0024

Government POC: Mr. Christopher Yates, (813) 826-1355, christopher.yates@socom.mil

TrellisWare Technologies Inc. ("TrellisWare") is currently under contract to USSOCOM to deliver software-defined tactical radios. In order to test and validate these radios, TrellisWare needs to conduct real-world testing at multiple frequencies, specifically the 225-450 MHz and 1375-1390 MHz bands.

FAA Coordination Request:

The FAA coordination number is NG T180196.

TrellisWare's plans to operate in the 225-400 MHz spectrum range only on frequencies that are outside the FAA's "Annex A" bands.
