Subject: 0381-EX-CN-2019 pre-coordination data request

---

Message:

TrellisWare is requesting access to MAG bands to support development and testing of new waveforms and radios for the US Army.

The POC is:

Mr. Herald Beljour

(973) 445-9263

herald.beljour.civ@mail.mil

The applicable contract is NSC-19-03-001. The contract is with the US Army, but is being executed via the National Spectrum Consortium, via an Other Transaction Agreement (OTA).
