Dear Mr. Michael Troy:

Please enter the Experimental Licensing System (ELS) and answer the questions (possibly questions #5a-d) in the Transmitter Section relating to the antenna height and local aircraft landing area. Please follow the instructions below. If you have difficulty changing the fields, then submit a document with the answers as an exhibit through the ELS. If this does not work, then send a MSWord document answering the questions. If you have any questions you may contact me at 202-418-2484.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 18, 2001 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
