Subject: File Num#0281-EX-ST-2018 reminder on MAG pre-coordination data request

---

Message:

I believe the MAG is the Military Advisory Group and is a branch of the NTIA? As noted in the prior correspondence we do not have any contact information for the MAG nor are we aware of how to find the pre-coordination document and submit it to the MAG. If that information can be provided to us we would make sure to fill it out promptly and submit, but we currently do not have that information.

Can the FCC please provide us contact information for the MAG or the process to start coordination activities?
