Subject: Request for Info - File # 0398-EX-PL-2016

---

Message:

Attempted to pay EAE fee through Fee Filer, but requires FCC Code 2 field to be populated. Referenced FCC filing guide but only refers to FCC Code 2 with regards to Form 159. That form only says to fill in section if required, nothing about what should be filed for that. Please advise so we can submit the payment required.
