Subject: Request for Info - File # 0809-EX-CN-2018

Message:

The application has been modified and updated to reflect requests received via email on 10/12/18. While the SpaceCap output has been uploaded as an attachment, the .itu file was sent directly to Leanna, Jeanette, and Joseph along with a copy of the updated ODAR and Narrative.

Please note the application was first submitted as a three satellite constellation but has since been updated to reflect one satellite, namely, Tyvak-0085.

To that note, we are gearing up to submit two more applications for Tyvak-0086, and Tyvak-0087. Their file and confirmation #'s are as follows:

Tyvak-0086:
File: 0880-EX-CN-2018
Confirmation: EL165904

Tyvak-0087:
File: 0881-EX-CN-2018
Confirmation: EL368980

Best,
