Subject: Request for Info - File # 0881-EX-CN-2018

Message:

Please provide the following information:

1. Provide the completed Spacecap .mdb file using the latest Version8 software. Insure there are no fatal errors.
2. The no-license letter is for 0085, not 0087. So the correct letter should get filed, or an explanation of why the 0085 letter applies to 0086. Or OET should contact NOAA directly to see if there is any real issue.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 11, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
