Message:

In order for the AF to conduct the analysis, please provide the following information:

- a) The launch trajectory data from Lift Off to Separation
- b) The transmission time, using  $T = 0$  at lift off, as a reference, for each of the link and associated emission designator listed in the attached. For example, the 2211 MHz link has three emission designators, we want to know the transmission time of each emission designator

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 09, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
