Date: October 29, 2013

Subject: FCC File No. 0616-EX-PL-2013

Message:

We have coordinated with the Northwest Mountain Region of the Frequency Management Office and received the following NGS numbers:

Logan: NG T130385

UTTR: NG T130386

We learned through this coordination that we will not be able to receive license for the entire band we requested in our original application. However, we still desire to obtain a license for whatever portion of the band that is allowed.

Thanks,
Brad Petersen
