Subject: Call Sign KA2XZP Experimental License Reinstatement

Dear Sir and Madam,

Undersea Sensor Systems, Inc. (USSI) is the holder of the expired Call Sign KA2XZP. This license is required by USSI to complete engineering test support activities for the US Navy. These activities are conducted by USSI under multiple USN contracts. To continue these support activities, USSI requests the reinstatement of the KA2XZP experimental license. In addition, USSI requests the following changes.

- 1) Change in business address from 4578 E Park 30 Drive to 4868 E Park 30 Drive (completed in filing).
- 2) Addition of main office location (4868 E Park 30 Drive Columbia City, IN 46725) to the station locations listed on the license.

If you have any questions or concerns in regards to the above requests, please contact the undersigned.

Best regards,

A handwritten signature in cursive script that reads "Mark Trout".
