Message:

You have filed Form 442 instead of Special Temporary Authority (STA), as I have stated in my previous email you may go on line to OET's website and file for an STA. Please click on link below (or perhaps copy and paste):

To answer to your second question, you may file and request for multiple locations under the same application. In order to do so, there is an option to add new antennas in which our system allows you to enter each location's parameters separately.

If there is no need for this application we will have to dismiss it, will you concur with this decision?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 28, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
