

APPLICATION FOR EXPERIMENTAL LICENSE

Universal City Studios LLC (“Applicant”), pursuant to Section 5.54(a)(1) of the Commission rules, hereby requests a conventional experimental license for a period of two years to conduct testing of 4.9 GHz transmission equipment.¹ The Applicant is qualified under the Commission’s rules to hold an experimental license for this purpose.²

The objective of these proposed operations as well as additional technical details are set forth in Exhibit B hereto, for which confidential treatment is requested (*see* Exhibit C). For the reasons set forth herein, Applicant respectfully submits that Commission approval of this application will serve the public interest, convenience and necessity.

Applicant will immediately suspend transmissions in the event of any actual or suspected interference being caused by its experimental operations. The point of contact for such notifications is as follows:
