Tony,

At some point in the near future, we would like to have the temporary frequencies for use, hopefully for our next science campaign.

I'm out of the office until March 13th, and will revisit this then. For now I'd like to withdraw the application, at least until I can understand the process.

Your application is being reviewed but the dates of operation have passed. Do you wish to revise the dates or withdraw the application if is no longer needed?
