Subject: Request for Info - File # 0293-EX-CN-2017

Message:

Explain the use of "X" in the emission designator. NTIA does not like the use of "X" and needs justification. They will most likely table the frequency request. The best remedy is to choose another character, if possible.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 20, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
