Subject: Request for Info - File # 0859-EX-CN-2017

---

Message:

We will be operating as a secondary ground station for the Q-PACE cubesat. The cubesat is operated by the University of Central Florida. They have previously filed, File No.: 0831-EX-CN-2017, which covers both the UCF ground station and the cubesat transmitter.

If we need to duplicate that information in our filing, please let me know.

Thank you.
