Subject: Additional Information Request

Message:

Please address the following questions and concerns:

- 1) Provide a NOAA letter if your applications involve imaging
- 2) Provide a signed copy of the Orbital Debris Assessment Report (ODAR)
- 3) Provide Earth station and space station antenna beam diagrams in GIMS format.
- 4) Provide the ITU cost recovery letter. I will email you the template seperately.
- 5) Fill out the NTIA Space Record Form. I will email you the template seperately. Fill this out for each frequency request.
- 6) The FCC's International Bureau requires the submission of SpaceCap data in order to complete evaluation of your application. In accordance with the provisions of Article 9.1 and Appendix 4 of the Radio Regulations, mandatory submission of a SpaceCap file for each individual space station is required. The software and instructions may be downloaded from the ITU link <http://www.itu.int/en/ITU-R/software/Pages/spacecap.aspx>. Submit the SpaceCap file (MDB file format) to the "Microsoft Access Database" folder in your application.
- 7) Correct all the fatal errors in the spacecap file.
- 8) Make sure that the technical parameters in the Space Cap matches to that in the form 442, the NTIA Space Record form, IARU letter, NOAA approval.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 16, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
