Subject: ITU Cost Recovery Fees for the Miniature X-Ray Spectrometer (MinXSS-2)
Satellite Network.

Reference: FCC Experimental Application File Number 0468-EX-PL-2016

Dear FCC Secretary,

The University of Colorado is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012 and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU. The University of Colorado hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the MinXSS-2 satellite network. Please address all correspondence related to the MinXSS-2 satellite network to the following point of contact:
