Subject: Additional Information Request

Message:

1) NTIA Space Record form mentions Deep Space Sun but there is no mention of Sun anywhere in your narrative. Could you please further describe this experiment?

2) Please verify your ERP for the CubeSat as well as the Earth Stations.

3) Upload the SpaceCap file (access database MDB file) to your application. If you're unable to upload then email me the file. Make sure to change the file extension from .mdb to .txt prior to sending it to me via email.

4) Provide ITU Cost Recover Cover Letter

5) Provide Antenna beam patterns in polar format for all the antenna

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 24, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
