Subject: Additional Information Request

---

Message:

Hi Nimesh,

Thank you for sending your questions. Here is our response on each question, as sent earlier in the email to you 6/19. All of the listed items that are PDF files, have been uploaded as exhibits.

Please clearly describe the communication path.

Answer: Please see the attached description of comm paths document.

Please provide the Globalstar license information and Callsign.

Answer: the Globalstar companion license application is file number 0482-EX-CN-2019. At this time no call sign is assigned.

Please submit the Satellite Space Data form for each frequency request.

Answer: The Satellite Space Data Form was attached in MSWord format; the PDF format has been uploaded.

Please submit the SpaceCap cover letter.

Answer: The Spacecap cover letter is attached.

Submit Spacecap:

Answer: The Spacecap is attached, with the extension changed from .mdb to .txt. All of the associated radiation pattern diagrams have been placed in a zip file renamed Radiation Patterns.txt, and the ITU Cost Recovery letter, are also attached, and they have been uploaded as exhibits to the application.

Please let me know any other documents or data needed.

Thanks,

Mike
