Applicant: University of Illinois at Urbana-Champaign

File Number: 0117-EX-CN-2017

In response to Correspondence Reference Number: 36030

1. NOAA has received our license application and it is currently being processed. We will submit the approval letter as soon as it is granted. The license request letter from NOAA has been submitted to the FCC OET experimental license application as a .pdf file.
2. The ODAR has been submitted to the FCC OET experimental license application as a .pdf file.
3. A link to the SpaceCap file (<https://uofi.box.com/s/bf6ijwpm8mbc8xu1e2nee8qxj78vxbtt>) has been emailed to Behnam.ghaffari@fcc.gov.
4. The ITU cost recovery letter is still circulating within the University of Illinois' Business office, and should be ready soon.
5. The requested information notes have been submitted to the FCC OET experimental license application as a .pdf file.

The following items in the online Form 442 application have been updated: ground station ERP, space station ERP, transmitting equipment to be installed.
