Subject: Request for Info - STA File # 0467-EX-ST-2001

Message:

On December 14, 2001, I sent you an email asking you to submit the minimum number of frequencies necessary for you to perform your tests. In a subsequent phone conversation, you outlined what you were going to do to come up with those frequencies. At this time, I would like to request that you describe what progress has been made, and if you still desire this request for STA.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 07, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
