Sorry to bother you again, but for some reason when I submitted our STA application, I see that 2 STAs were filed 0162-EX-ST-2005 0163-EX-ST-2005, which are essentially duplicates. I also was charged (and paid) double \$110.00 the fee.

Please disregard 0162-EX-ST-2005. Also, who might I contact to try to get the billing issue rectified. I couldn't find a way to initiate correspondence from the website, so again I apologize for doing this through your email.

Thanks,  
Tom
