Re: UMTRI's fee exemption justification

Dear Sir/Madam:

I just renewed the University of Michigan Transportation Research Institute's (UMTRI) license. The call sign is WH2XAW and the FRN is 0023260409. It is my understanding that because we are a university, we are fee exempt.

I may be reached at 734-763-2498 if you have any questions.

Thank you for your consideration.

Best regards,
