Dear FCC:

An amendment to our existing license is requested. The amendment is requested in order for us to operate at a second location for a 4 day event. The short (4-day) testing event will be held at the Avon Park Air Force Range in Avon Park, Florida November 5-8, 2018. We simply request an amendment to permit operations at this location.

If you have any questions please do not hesitate to contact me for more information.

Sincerely,

A handwritten signature in black ink, appearing to read "Travis D. Fields", is written over a horizontal line.
