Reference: FCC experimental application file number: 0297-EX-CN-2017

Dear FCC Secretary:

The University of North Carolina at Wilmington (“UNCW”), Department of Physics and Physical Oceanography, proposed operator of the subject mission, is aware that because of actions taken at the International Telecommunication Union’s 1998 Plenipotentiary Conference, and modified by the ITU Council in 2001, 2002 and 2004, processing fees will now be charged by the ITU for satellite network filings. Consequently, Commission applicants are responsible for any and all fees charged by the ITU. The applicant hereby states that it is aware of this requirement and accepts responsibility to pay any Cost Recovery fees associated with these applications. Invoices for such fees should be sent to the point of contact specified below:
