Subject: Modification to License
Reference: FCC Experimental Application File # 0469-EX-CN-2017

Dear FCC Secretary,

I am officially notifying you of a request for modification of our license 0469-EX-CN-2017. Due to a variety of reasons, while the license covers the operation of 2 identical satellites, SeaHawk-1 and SeaHawk-2, in orbit, we have decided not to launch the second satellite.

I have also enclosed with the letter, a DRAFT of the letter informing ITU covering the COST RECOVERY for this license modification, as well as a modification of our SpaceCap information.

Please let me know that have received this request and I would be happy to address any concerns or question about this modification.

Sincerely yours,

John M. Morrison
