AEROSPACE ENGINEERING, BS

Accredited, 10/01/1949-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Aerospace Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

ARCHITECTURAL ENGINEERING, B.S.

Accredited, 10/01/1960-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Architectural Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

CHEMICAL ENGINEERING, BS

Accredited, 10/01/1940-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Chemical Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

CIVIL ENGINEERING, BS

Accredited, 10/01/1936-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Civil Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

COMPUTER ENGINEERING, BS

Accredited, 10/01/1995-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Computer Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) ****COMPUTER SCIENCE, BS**

Accredited, 10/01/1997-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Computing Accreditation Commission

Criteria:

Computer Science

International Mutual Recognition Agreement:

Seoul Accord > (<http://www.abet.org/mutual-recognition-agreements/>) ****ELECTRICAL ENGINEERING, BS**

Accredited, 10/01/1936-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Electrical and Electronics Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

ENGINEERING PHYSICS, BS

Accredited, 10/01/1953-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Engineering, Engineering Physics & Engineering Science Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

ENVIRONMENTAL ENGINEERING, BS

Accredited, 10/01/1995-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Environmental Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

INDUSTRIAL ENGINEERING, BS

Accredited, 10/01/1967-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Industrial Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

MECHANICAL ENGINEERING, BS

Accredited, 10/01/1936-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Mechanical Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

PETROLEUM ENGINEERING, BS

Accredited, 10/01/1936-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2017-2018

Accredited By:

Engineering Accreditation Commission

Criteria:

Petroleum Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **
