

SBE Chapter 62
Salt Lake City, Utah

October 18, 2011

Mr. Isaac Myers
University Of Utah
Salt Lake City, Utah

Mr. Myers,

We have reviewed your request for the use of additional power in connection with your operations near Delta, Utah under FCC license WF2XHR.

We concur that no harmful interference to the area television service would be caused by the grant of the requested additional power.

Respectfully,

John Dehnel
Frequency Coordinator
