Subject: Request for Info - File # 1233-EX-ST-2020

Message:

Although the company changed the frequency band to a single frequency, the bandwidth of the emission designator is still overlap the WTB operations. The company should change emission designator also from "250MK0N" to "N0N"; otherwise, the application is rejected by WTB if the company doesn't submit the information as requested.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 24, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
