Re: File No.: 40-EX-RR-2000; Call Sign: KG2XAK

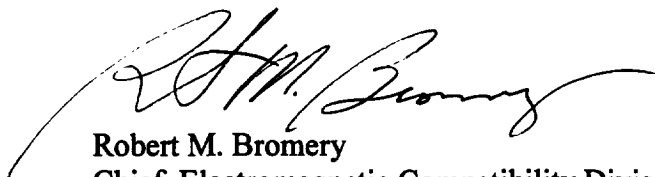

Dear Mr. Gamache:

This letter is in response to the above referenced application and the request to withhold exhibits from public inspection.

Based on our evaluation of the material submitted in the exhibits, this office will preliminarily grant confidential treatment for the material pursuant to 47 CFR Section 0.459(d). In the event a request for inspection of this material is filed pursuant to the Freedom of Information Act (FOIA), we will reconsider the material to determine if it falls within the exemption to the FOIA.

Accordingly, exhibits of the original application will be withheld from public inspection in accordance with the provisions of Section 0.459 until April 1, 2005. The period may be extended upon presentation of adequate justification with the renewal of the license.

Sincerely,

Robert M. Bromery
Chief, Electromagnetic Compatibility Division

cc: Christopher J. Wright, General Counsel
