"Please verify the coordinates and the AMSL".

These values are as stated in the application,

The location in Hillsboro, West Virginia, on Russell Scott Road, is North 38 6 45 West 80 15 58

and the Height AMSL is 975 meters.

This location is on top of a peak, outside of the town, so the height is quite a bit above the height of the town. It is rural, but the address is Hillsboro, the nearest town so the lat long are different from the center of town.
